

The Hampton Inn & Suites construction continues to move along at a great pace. We are moving along at a great pace to be ready to open in early June. The leadership team is almost completely assembled. We are making final arrangements to host a two-day job fair in order to meet as many job applicants as possible for the 27 remaining full-time and part-time positions at the hotel. If you've got a team-spirit, guest satisfaction focus, have that 'whatever it takes' attitude and want to be a part of our amazing opening team we will be at the York County Public Library - Fort Mill branch on Wednesday, April 15th from 1pm - 6pm and again Thursday, April 16th from 9am-2pm receiving applications and conducting preliminary interviews. We will be interviewing candidates for many of the following positions: Breakfast Host or Hostess, Housekeeping Room Attendant, Maintenance Utility Person, Front Desk Customer Service Representative, Laundry Personnel, Inside Sales Coordinator, Night Auditor, Public Space Attendant, Housekeeping Room Inspector, etc.

Our Hampton Inn & Suites Fort Mill will feature the next generation of guestroom design and concept -- called our 'Forever Young Initiative' -- rooms will all feature mini fridges and microwaves, in-room coffee service, expansive work surfaces, wall-mounted nightstands that feature integrated power sources and pull-out shelves, 42" large flat screen televisions with a full slate of High Definition channels being offered. Guestroom bathrooms feature more amenities, additional space for your things, pull out drawers etc. Hampton inn will continue to feature and promote clean, fresh rooms for all our valued guests. Our spacious studio suites include a pull-out sofa bed that features environmentally clean linen technologies as well as a wet bar and sink area.

On the ground level the hotel has an enlarged Fitness Center, Guest Laundry area, a seasonal outdoor pool, patio and fireplace area complete with grill set-up for guest's use and convenience. Our 'Perfect Mix Lobby' will feature a large community table with integrated power sources, a variety of comfortable seating options not only for breakfast but for meeting and congregating throughout the day and evening. The business center will be state of the art with the latest capabilities to print documents and boarding passes directly from your guestroom. In addition to an executive boardroom the Hampton Inn & Suites Fort Mill will also have on the ground level 1000 sq ft of flexible meeting room space, perfect for your next business meeting or social function.
