**(Lake City S.C.) October 21, 2015-** Crossroads on Main, a restaurant located at The Inn at the Crossroads hotel in Lake City, S.C. picked up three awards at the fifth annual Taste of Florence in Florence, S.C. The restaurant took home third place for Best Booth, second place for Best Appetizer and the grand prize for Best Entrée.

The Taste of Florence is a family-friendly event that brings together local restaurants and food vendors from throughout the Pee-Dee region. Each restaurant has the opportunity to prepare three dishes which are judged by a panel of judges.

“We are so excited to be considered amongst the best in the area,” said Seth Kines, Director of Sales at The Inn at the Crossroads. “Since we are just a year old it was important for us to get the exposure for both the hotel and the restaurant.”

The award winning entrée that Chef Frank Halasz prepared was a peppered roulade of Atlantic salmon, jicama hash browns, asparagus and a sundried tomato aioli. The appetizer that was awarded second place in its category was the restaurants signature appetizer, Shrimp Edisto, shrimp sautéed in shallots garlic, white wine and spice blend finished with cream and whole butter, served in a hush puppy cup with low country collard greens.
