

## **Construction Moving Along at the Fairfield Inn & Suites in Rock Hill**

Rock Hill (Rock Hill, S.C.) July 19, 2016- Construction of the new Fairfield Inn & Suites in Rock Hill, SC is moving along at a great pace. The exterior brickwork and veneering is almost complete as the crew continues to work on it each day.

Guestrooms are starting to look like guestrooms on the upper floors. The hotel will have a total of 108-rooms on five floors, a combination of king and queen guestrooms and king studio suites will be available. The main floor will feature a large breakfast area, fitness center, guest laundry facilities and a 24/7 market. Also, on the main floor there will be 1263 sq. ft. of meeting space that can be divided into two separate rooms.

This upcoming week, the first floor rough-ins will continued to be added as well as drywall on the upper floors, followed by the addition of tubs and showers on the second and third floors and finally the remaining bathroom finishes on the second and third floors.

Construction is slated to begin next week on the outdoor pool and patio area. For more information please contact the Area Director of Sales, Lynn Pepler at 803-493-3639.
